

Amendment One
RFP 1677-DLTC-PM
Third Party Claims Processing Services

Please note that section 3.4 of this RFP has been amended. The added language is in bold font.

3.4 Right to reject proposals and negotiate contract terms

The State reserves the right to reject any and all proposals, **or accept or reject any part of a proposal deemed to be in the best interest of the State.**

The State intends to use this RFP process to solicit for Third Party Administration services to be offered to our business partners. If contract negotiations with the State cannot be concluded successfully with the highest scoring proposer(s), the State may negotiate a contract with the next highest scoring proposer(s).

As explained in section 8.0, MCOs and county waiver agencies may negotiate further contract terms directly with the State's selected proposer(s).
